

Vacancy - Head/Lead Coach Bushy Park Girls CC

Bushy Park Sports Club Pavilion Rd off Queens Rd Teddington TW11 0EL

Start date: As soon as possible in readiness for April 2022.

Bushy Park Girls CC was established 10 years ago and is a women & girls cricket club based in the beautiful location of Bushy Park Sports Club (formerly NPL Sports Club).

Current membership is 120, ranging in age from 7 to adults including an All Stars programme for 5–8-year-olds. The girls currently play in the Middlesex and Surrey leagues and we have a number of CAG players in the Middlesex, Surrey, and Berkshire squads.

Our winter nets training is taking place at St Marys University in Twickenham, this is very well attended.

The club is currently working on a project to have a new 4 lane net facility, to replace the current nets, available in time for the start of the 2023 season.

We are looking for:

- An experienced and dynamic Head/Lead coach to work alongside the Head of Coaching. At least ECB L2 qualified with all compliances up to date.
- A good communicator who will work closely with the Head of Coaching and Age Group Managers.
- You will be capable of planning and delivering well thought through training sessions, ensuring individual and team needs are met. We currently train on Mondays, Tuesday, and Fridays.
- Have the ability and knowledge to lead a team of motivated young and enthusiastic coaches who will be looking to develop their coaching skills.
- Can show strong technical skills across the full range of disciplines.
- Good understanding of coaching girls and the performance pathways on offer.
- Although not a salaried position there is real scope to develop your own revenue stream.

- Head/Lead coach will be paid for planning and delivering age group sessions.
- Can plan, develop, and organise holiday clubs, Easter Camps, Half term and summer sessions, 1:1 and specialist training and masterclasses.

We have good relationships with some local schools who are actively seeking us to provide, 'in school' coaching programmes starting from April.

This is a fantastic opportunity to work with a progressive, inclusive, and forward-thinking club that is fully supported by a well-established committee that is passionate about girls' cricket and the club's future development.

We want our new Head Coach to be able to fully immerse in our club ethos - Participation, Performance and Fun! (Including music at training non-negotiable) :0)
